October 2025

Dear Members,

With joy and gratitude for each of you, the Executive Committee is pleased to share divine Love's provision for our 2026 annual Association meeting. But first:

Association Day 2025 Fruitage

Many members and guests expressed their appreciation for the address given by Sabra Lowe, C.S. Joyous hymn singing, a great depth of Christly love, and appreciation for Mr. Jensen's clear teaching characterized the meeting. "G.I.R. = God is responsible," Sabra reminded us, and we are responsible for doing the work that God gives us to do.

Association Day 2026 Speaker

Nicole Virgil, C. S. will be our speaker on **Saturday, June 27, 2026** at Arden Wood. Nicole is a member of the Board of Lectureship. Her current lectures are "Be set free" and "What really matters." Her article "Neutralizing racism with Truth" is in the June 2021 issue of *The Christian Science Journal*. **Our 2026 meeting will be in-person only, with no Zoom component**, as requested by Nicole.

Mr. Jensen's introduction to the 1986 Association meeting provides helpful context:

We come together again this year from far and wide for the single-minded purpose of advancing spiritually. Joined in love we earnestly seek a clearer understanding of our at-one-ment with God. Everything we do in connection with our Association is ultimately for this purpose. What an apt word Mrs. Eddy chose—"Association." The definition reads: "linked or bonded together in common purpose, closely related, especially in mind." And so we join in this holy purpose. (From "Earth's Preparatory School," June 28, 1986)

Nicole has provided this information for our preparation:

Topic/Title: Living Love

Assignment: Read Science and Health in a month or less.

This will require 20-30 pages/day (depending on how many days off you take. This can't be done without an increased measure of discipline and sacrifice. Something will have to be set aside. Drop whatever needs to be dropped so that you can literally, follow your Pastor.

If this is done diligently, thought will be moved, and you will see things you haven't seen. Please write up your results, insight, practical results. The assignment should be started between January 1st and February 1st, and concluded between Feb. 1st and March 1st so there is sufficient time to write up the impact the assignment has had and send it in to me before April 15th.

This passage from Mrs. Eddy's "Message to The Mother Church for 1900" resonates today:

Certain elements in human nature would undermine the civic, social, and religious rights and laws of nations and peoples, striking at liberty, human rights, and self-government—and this too in the name of God, justice, and humanity! These elements assail even the new-old doctrines of the prophets and of Jesus and his disciples. History shows that error repeats itself until it is exterminated. Surely the wisdom of our forefathers is not added but subtracted from whatever sways the sceptre of self and self over individuals, weak provinces, or peoples. Here our hope anchors in God who reigns, and justice and judgment are the habitation of His throne forever (p. 10).

The minutes of the 2025 Business Meeting are included. Please treat them confidentially.
